“ God bleess the family of Paul. My name is George Lynch and I’m so sorry I’m just finding out about Paul. Paul and I became friends at Harlan High in Chgo. . We participated in Track together. We. Graduated College together. We also taught school . Paul was always a friend , smooth dancer and spiffy dresser. We grew apart in the early 90’s. I often wondered where he went and today did a Google search. The sad news hit my eyes. My prayers are two years late but God hears me and will tell Paul that George Nick Lynch remembers his friend.
