“ Knowing Angela since 2003 or 2004 it has been an amazing task. You was welcome or you wasn't and she didn't mind telling you. We work as a team as well as laugh together. When it was time for business she was focus. She was passionate about her family and that smile she has is golden. Her smile will be greatly missed and not being able to see it in person will be hard but I have it in my memory. My condolences and my prayers for the family. So hard to believe she is gone and Friday will be my last time seeing or talking to her. Lord help us.

“ I can't shake this feeling that this is not real although my heart tells me it is. (Gip) My heart is absolutely broken and I'm gonna miss my friend and confidant. Over the years we became more than co-workers. We became sisters💕💕💕 You would always say to me "Ratliff it is what it is"
