“ Lord, I just don't know what to do anymore. I miss my mom so much. I miss everything about. I took care of her for the last few years and days. She was here with us. I remember everything that happened from day one and I am so sorry, mom that I couldn't do anything to help you. I did all I can do But this is killing me so bad but I know you in a better place to continue to watch out with me and my kids mom we love you. We miss you precious mom.
