“ To my Neighbor Billy Simpson. I was in London last week when you passed. I got a chance to visit you at thr hospital. I jave so many fond memories of us being neighbors for so many years. You was the perfect neighbor. You never bothered nobody. Anytime i needed your help you wrre always ready to help. We went to football games together when my son played for Jackson State. You were such a friendly person to all our neighbors. We miss you already. I just want your family to know how much you meant to us. You can rest now. Those painful days are over. May God welcome you home. May the Lord be with your family today and forever. God bless you my friend.
