“ *I can't understand this at all. From kindergarten to becoming really close in Jr-High til I moved our 10th grade year. We wrote letters, sent each other pictures, and found ways to keep in touch. Of course life got in our way and we weren't in touch as often the past few years. But I will miss you so much. I pray for your daughter and your family. Rest in peace my sweet friend. I love you!*

“ Brittany was my first friend. We were friends at first sight in kindergarten. We then started to form our friend group but her and I always had a special bond. What a special person she was. A wonderful mother and wonderful friend. The world is a little less special without Brittany but I know her mom is so happy to see her. Prayers for her beautiful daughter.

“ *Brittany was a lifelong friend to me and I cannot be more blessed and thankful to have crossed paths with her when we were children. She touched my heart so much and I will always cherish our memories and jokes and our Lisa Frank obsession. She was so sweet and she was the best mother to her Princess. I send my prayers and my deepest condolences to Sariah and all of Brittany's family and loved ones. She fought the good fight and she finished her race, with grace and dignity. And we will see her when we get there!* 🌈
