“ To my dad, Daddy this is Jimmie, I got so much to say but I will not take forever. I just feel that it is so much more for me and you to do. You are my hero, you taught me what I know, the skills I know and the love I know as well as how to show that love. Thank you dad for the 62 years that we shared together and go on and rest and just know I understand, go on and be with uncle percy, uncle sonny, geanboy, bookie, granddaddy, grandmother and many more relatives that are all waiting on you so I know you are in good hands, Love you dad and you completed your journey here and I will carry your torce from here. Love you dad, Jimmie.
