“ *Mr Dan was one of a kind. It was a real joy to be in his presence. He knew every inch of Lowe's he could always tell you how to fix stuff. He was trying to tell us how to fix a sink and he said I tell you what I will come by your house and show you hiw♥ Every time the hummingbird lights would come in he always called and said baby girl your lights are here. We always talked about his precious wife and how much he missed her. Go rest on that mountain Mr.Dan I am really going to miss our chit chat that we had long after you left Lowe's. So sad for us and your family.*
