*Shared my sleeping area overseas with 3 guys. He was one. Always made me laugh. RIP. Battle. Praying for the family.*

*Man I missed David. I first met him in 2005 when we're heading to Iraq. He made everyone's time in Iraq so enjoy able. We would always joke around because he is the funniest person I've ever met. What I will miss the most about him however is the long and deep conversation we had about life and family. David is someone who deeply loved his family and I offer my condolences to his family. From SGT C Jones.*
