“ Dear Linda and family, we can just see Neicy's beautiful smile. She was such a humble, kind, loving, caring and giving person! It gave her such joy to be able to do something for someone. In the midst of doing she also had an encouraging word for you. She was a tangible representation of what it means to love and serve others. What a blessing she was to so many of us! She will be greatly missed but there is a great comfort in knowing that she received her welcome into heaven and commendations for a job well done. Neicy has her angel wings!

We love y'all and we are praying for you! God will give you the comfort and strength that you need to carry you through this really difficult time.
