“ *I have sweet and wonderful memories of Dixie. She was warm and caring and such a great host to me and my brother whenever we were in town. And oh my such a wonderful cook! She and I were related on my great grandmother's side of the family and I would relish the stories from back in the day and her connecting the family tree dots for me. Blessings to James and her beautiful family. She was so proud of you all!*

“ *Deepest Sympathy to James, Jr. and Family. I will surely miss the warm and friendly smile Dixie always had when we would see each other. We always said we were blessed and special because we shared the same first name and our husbands were both named James....*

“ *With deepest condolences Milton and Teresa Cassidy also send a special prayer. We have enjoyed many time sitting and talking with Junior and Dixie at family functions or out and about. Always so pleasant always receiving a gold nugget. Dixie was a beautiful lady from the inside and outside her smile would always fill the space. She will be missed greatly.*
