“ *Aunt Donna was a kind soul that had a big heart. She was the last of the Mann sibilings (Valda, Homer and Joy). I remember you and Amy coming to live with us in FI in the 80's. I will remember your long letters you would write (that had beautiful penmanship). Your beautiful southern draw and your beauty as a person. I know you are with your family and can finally see your momma. Fly high aunt Donna. I know you are in the light. May God lift you up and comfort your children during this time.*
