“ Today, we honor and remember the beautiful life of our beloved Auntie, Grandmother, Mother, Sister, and Friend Doretha—a woman whose love, strength, and unwavering dedication touched everyone who had the privilege of knowing her.

With a heart as warm as the meals she lovingly prepared. Cooking was more than just something she did—it was a reflection of her love. Whether it was a home-cooked meal that brought the family together or a special dish made just to brighten someone’s day, she poured her heart into every bite. Her kitchen was a place of comfort, laughter, and togetherness, where memories were made and love was shared.

She was also one of the hardest-working people we knew. No matter what life threw her way, she faced every challenge with strength and determination. She took pride in everything she did, always giving her best, never complaining, and inspiring us all with her resilience. Her work ethic was unmatched, and her spirit was unbreakable.

Her love, wisdom, and generosity will live on in our hearts forever. She taught us the value of hard work, the importance of family, and the joy of sharing love through food. Though we feel the weight of her absence, we find comfort in knowing that her spirit will always be with us—guiding, loving, and reminding us to cherish one another.

Rest peacefully, you lived a great life. Your love, your laughter, and your incredible spirit will never be forgotten. We will carry your legacy forward and honor your memory every day.

My family's love, thoughts and deepest prayers go out to Larry and the kids especially Michael who Dorothea gifted to me as a son. May my friend forever sleep in sweet peace.
