“ I remember when my son passed, you came to Milwaukee with my dad, and you just helped me pull it together. I appreciate all your kindness and compassion and we all were blessed, to have you. Your time has come because God needed his top Angel and your work was done. Everyone adored you and noone can say not one bad thing about you. Not one. I wish me and the boys can be there for your home going, but our hearts and prayers are there in Mississippi. Continue to Rest, God is Pleased.

“ Happy Birthday Sister SIP

Don't grieve for me, for now I'm free, I'm following the path God laid for me. I took his hand when I heard his call, I turned my back and left it all. I could not stay another day, To laugh, to love, to work, to play. Tasks left undone must stay that way, I've found that peace at the end of the day. If my parting has left a void, Then fill it with remembered joy. A friendship shared, a laugh, a kiss, Ah, yes, these things too I will miss. Be not burdened with times of sorrow, I wish you the sunshine of tomorrow. My Life's been full, I savoured much, Good friends, good times, a loved one's touch. Perhaps my time seemed all too brief, Don't lengthen it now with undue grief. Lift up your heart and share with me, God wanted me now, He set me free...
