“ Sending my deepest condolences to the family. Elizabeth was a beautiful person with a smile that she shared with everyone. She loved her biological family as well as her church family in fact they were inseparable when Elizabeth was teaching her class. Family and her church family went hand in hand together as she expounded on how we are to love one another. Archie, Keith and Edward she never failed to let us know how proud she was of you all, especially your work in the church. Elizabeth was in the church and the church was definitely in her.
