“ I thank the Most High for the time we shared together as sisters. Learning to live without you is very challenging. I think of you day and night. I am still having a hard time believing and accepting that you are no longer here. I have seen many people leave this world, but your departure has affected me the most. The way you left and how soon you left deeply grieve me in my heart. I cry outwardly and inwardly because I'm missing you. You will never be forgotten. I pray your spirit is resting peacefully with the Most High. Love, your Sister Carolyn

“ *My beautiful sweet sister, you have left an empty space in my heart that nothing or no one will ever fill. Life is not going to be the same without you. Sis, I know we all have to depart from this earthly life. I just didn't expect it would be so soon for you. However, I'm grateful for the time the Most High allowed you to be my little big sister. Rest in peace. Love always and forever.*
