“ I had several wonderful opportunities to spend time with my sister-in-law. In addition to spending time with her on Sunday afternoons after church, at Mr. Williams' house, one year we went on a tour of the Kennedy Space Center in Cape Canaveral. While there, she enjoyed walking on the beach, looking at all of the rockets, enjoying the simulated rocket launch as we bounced back and forth, the museum, everything. Her excitement was so contagious, in so, that I can still feel what it was like. I have missed her for a very long time. She was a bright light that was dimmed way too soon. Jean.
