“ My heart is broken to know I will no longer hear you greet me as “Scooter or Scoot Scoot”. You and my dad were the best of friends and you were and forever be my Godfather. We never went fishing in that new boat of yours, but I am so thankful to know we made the plans to go. Your last words to me before we ended our phone call was, “Alright Scoot, I love you.” I’m so glad you heard me say, “I love you, too.” Rest well and know, Scooter will always remember you!
