“ *You was a wonderful...you will be missed...you fought a long time, now it's time to rest...It's hard to let go...but I know you is in a better place...I know you looking down on me saying it's ok....cry...you missing me...but I would not take nothing
For this new journey I'm on now...I thank God for all the good times we had...calling you daily...going to your doctors appts...and just talking about life in general...you taught me a lot...
...just want to say thanks...
I know your wings took you home....yes...
Heaven bound...just rest....love you always
Bye paw paw...we will see you on the other side...one day*
