“ I meet Grace at Mississippi Children Home Service in 2005. The day I meet her was during Katrina when we both got stuck at work. Grace had a smile and sense of humor like none other. We remain friends all of these years. I will truly miss her!! TYR

What a sweet soul she was! 8th grade English class (or maybe 9th) would not have been the same without her sitting behind me. We had so much fun! We had many other classes together through out high school. I moved around a lot and left NWR and came back later and graduated. Grace was definitely someone I remembered fondly. We both had the last name Williams so we were always together. I will always remember her beautiful eyes and dry but witty sense of humor. Rest In Peace sweet friend!
