“ My prayers goes out to the Bloodsaw Family, I worked with Gussie years ago at the Brandon plant,I used to pick her up for work but she would try to tell me how to drive. We had good times together.

“ God saw you getting tired and a cure was not to be So he put His arms around you and whispered "Come to Me". With tearful eyes we watched you as you slowly slipped away and thought we loved you dearly, we couldn't make you stay. Your golden heart stopped beating, your tired hands put to rest God broke our hearts to prove to us, He only takes the best.

“ I've known Gussie all my life and I have always considered their entire family as a part of my family. We all come from the same little place where everyone knew everyone and almost every body was related to each other one way or another. Gussie was a fun loving person and she was always the same whenever we ran across one another-- the talking, laughing, joking , and carrying on. We would never part though without saying, "Girl. I.Love You and keep in touch. She always wore a big smile and was full of laughter. I'd like to say to my nephew Dee and the entire family ,GOD has not done anything wrong or made any mistakes. He knew Gussie was ready for HIM so HE came on and got her. It's time to rejoice so give GOD PRAISE for allowing us the time Gussie was with us and Just look to GOD for the strength to see you through and lead you on.  
Lovingly, The Norwood Family

“ My deepest condolences to the family. Gussie was a classmate of mine as well as a good friend from Pearl. We went to school together. I remember her as an outgoing, full of life and crazy personality that always had you laughing about something. I will truly miss you my friend.
