“ *My Nuisance! My other son from a blessed mother. So many memories you have left for us to share. Some in laughter, others in tears, a few leaves us shocked, and many leaves us saying that’s just like Harry—you will be missed in so many ways by so many you have touched in your young 27 years. May your soul finds its resting spot in Heaven. My, big teddy bear nuisance, I love you and will miss you forever. Heartbroken your journey ended this way too soon and praying peace be bestowed upon you. Praying for all who are grieving our lost!*
