

## Mr. Herman Allison

December 4, 1934 - August 13, 2023

On December 4, 1934, God put his purpose, plan and design on the canvas of life for Will and Arcola Allison; They were favored with a son, whom they named Herman Earl - He was a masterpiece, fashioned for God's own use.

Herman was gifted with forthright thinking and happiness personified which he used frequently to secure confidence in those lacking and to help whomever, whenever it arose.

Herman accepted Christ at an early age and united with the Jerusalem Baptist Church in Florence, MS. Initially he served as an usher and worked faithfully to do his best.

Always a diligent worker, Herman gained employment in Brandon, MS at the Calmar Cement Co. after completing high school. Later, in 1999, He and his family (wife, Elizabeth (Boots) and baby daughter, Bridgette) relocated to Chicago, IL, where he began working at the mattress factory in 1966. The family, again, pulled up stakes and moved to Milwaukee, WI. In Milwaukee, Herman began working at the Industrial Cylinder Company. He remained at this company for many years, until the owners decided to move to Texas. This move was the opportunity Herman had been waiting for - He could see the hand of God at work in his life. It was at this point that "The Allison Transportation Company" began.

The venture was successful and other family members came on board.

Finally, in 2002, Herman decided it was time to "pull up stakes" again; this time, the family was headed home - down south to Florence, MS. Herman terminated his business, loaded the car, bus, truck, and train, and headed back to his roots.
