“ *Lineage and legacy transcend time.*

*Cousin James came from a bloodline of men who held on to God's unchanging hand. As far back as I can remember, James always shared God's Word and spoke of His faithfulness.*

*I remember fishing and crabbing with him when we would visit him and the family in New Orleans. His humor and wisdom so remind me of my dad, his Uncle Willie.*

*James consistently visited my dad over the years, which my siblings and I appreciated beyond words. My dad and James had such a rapport and kinship that I often thought of James as more than a cousin.*

*To Louise and the family, my heart and prayers are with you. He was a man after God's own heart. I can say these words with gratefulness in my heart for him: "Well done, good and faithful servant; you have been faithful over a few things, you will be ruler over many things: enter into the joy of the lord."*

*All my love, Stephanie.*
