“ *Mr. Bennett was my patient, and he reminded me soo much of my grandfather, who was also named Joe. I loved him so much. He made me laugh. He didn't like coming to the doctor, much less giving blood, but he eventually gave in and let me draw his blood. His daughter loved him very much, and she made sure he had everything he needed. My prayers go out to her and the family during this time. Ms. Geraldine, I will never forget your father.*

“ Ms Jerry,

I'm so sorry to hear about the loss of your father. You took very good care of him as long as I have known you, and I know he is looking down from heaven at you and he is very appreciative for everything you have done. You were a good daughter to him. I know your pain because I loss my father years ago and I still miss him a lot. Please know you and your family are in prayers and if there is anything I can do for you let me know.
