“ To my very very good friend that I had the pleasure of sitting next to in dialysis for 2 & 1/2 years, 3 times a week & 5 hrs. a day. You were always so cheerful every day. Even to go as far as to talk me out of some desperate measures. We sure had some good talks. I promised you when this Covid crises was over we would come to your house for a barbecue. My wife & I will surely miss that time. I was so glad when you were put on the kidney list. Rest in peace my friend. David

“ Johnny was a fun-loving man and kept everyone laughing in dialysis. He became a dear friend to my husband and I. He would always tell me to have a blessed day, Mam after I would leave my husband at dialysis. Our lives are richer for having known him. We will truly miss him! My thoughts and prayers go to his family and friends.

“ He was my very best friend in kidney dialysis! We shared a lot of memories and sat side by side for 2 1/2 years. When I didn't think I could do dialysis anymore, he always lifted my spirits up and told me God had a plan for me. He was like a brother to me and we were making plans to do things together like having a barbecue. He was a lot of fun and a jokester and kept the place livened up. My life is richer for having known him and I am grateful to having had him as a friend. Rest in peace, my dear friend! My prayers and thoughts go to his family and friends.
