“ *I am deeply saddened by the loss of my cousin John Earl as we so passionately referred to him. I remember when we were kids how we would rob the watermelon patch and our grandma would notice it missing. She would ask who did it and John Earl would take the blame. He would always protect us and I loved him for that. I had an opportunity to see him when I was home last Thanksgiving not knowing it would be our last conversation. God's will must be done. Rest In Peace and I hope to see you on the other side. 🙏🙏🙏*

Words can't express how sad i am to hear of your passing. You were always like a father to me. So kind abs giving. You welcomed me into your home and for that I'm eternally grateful. I will miss your smile and sense of humor. I cry at the thought of not seeing you when I come to Mississippi but I know you are in a better place. No more pain, no more suffering, no more trying to meet the expectations of others. You get to live in a place of peace and for that I smile and hold on to those great memories I have of you. I love you Mr. Perry RIP.
