Me and Sandy, We started same day, Together in 2015, As I cannot stop crying, Sandy was my TL (Sister, Friend an I believe Just all around sent From God to Us, Here at Kelly/Apple) for 4 1/2 years. Until they finally broke us up lol..in 2018..I can go On an On for years, Hours, And Months on how much she Meant to me and My Daughters. As long as I knew she was here I was ok..I can make it, Another Day. And I know if her Kelly family is upside down, I pray Dearly for her Family. I am praying for strength for all of Us. It's so Different to loose a work family member because we are together 20 days a month, 160 hours out of the month. So we be with them more than our own biological family...The void they leave in our hearts are real because your have become family. BLESSED are those who Morn for they will be Comforted Matthew 5:4....Love you All..Meika

“ If I am heartbroken I can only imagine how devastated Kays family must be. I have no words and will borrow the words of Buddha “Neither fire nor wind. Birth or death can erase our good deeds.” Kay your good deeds will never be erased. I know I will forever be thankful for everything you did for me. Sending light, love and strength during this difficult time.

“ Kasandra was my Team Lead at Kelly Services since I became a tier 2, but she was also a very dear friend to me. She loved to cook and garden and so did I, so we were always exchanging recipes and pictures of our plant babies. I can't imagine what her family must be dealing with, because I am having the hardest time accepting this. I pray for strength for all who loved her as we try to pick up our lives and continue on.
