“ *Ms. Kathy, I worked with you for a long time at River Oaks and I looked up to you like a big sister. And you made came back home from Texas and you called me to let me know that you were admitted into Lakeland Nursing and Rehab for therapy. I made way to see you daily before you went home. We kept in touch from to day to day. I didn't hear from you I begin to worry and I didn't know any other way to contact you. Ms. Kathy, my heart is so heavy right now to learn of your passing. You were my seamstress, nurse when I had surgery and most a dear friend who was like a big sister to me. You took my daughter under your wings and gave her a lot of encouragement and she prove to you that your words of encouragement paid off. I will always cherish the great times that we have shared together. Those precious memories and last moments that I spent with you will be in my heart forever. I love you Ms. Kathy until we meet again.*
