“ I always thought Kenyelle was one handsome fella. I had the biggest crush on him in high school and college. In high school my code name for him was kin-end maxwell. I gave him that name because he drove a white maxima and lived on kin-end road. (Lame I know lol). After years of crushing on him my heart was crashed. I found out we were related. Lol. I did not want to claim that, but Janice would never let me forget, lol. Kenyelle was a good guy with a good heart. My prayers are with you all and I love you guys!

“ It is still hard for me to believe that my brother is gone. He was a kind soul, and had a good heart. I am glad that he was chosen by God to be in our lives for the time that he was and pray that he rests peacefully. I love you forever my dear. Continue to watch over us.
