“ Lakeisha Washington and I have been friends for long periods of time. I love her like she is my sister, my heart is broken into pieces that she’s no longer here but forever in my heart. We have worked together at a workshop and I tell you she’s such a beautiful friend and such a character. I was so happy that I got to talk to her on the phone, she will always tells me to call her anytime, but I hadn’t gotten a chance to to call her because I had to take care of myself and having to go to the doctors and I be warned out and Keisha knows how that goes. I will be hearing from her on the other side. To the family of my friend Keisha, I am so sorry!! My sincere condolences to you and your family and specially to her sweetest mother I known and I truly love you so much. 🙏🙏🙏🕊️💔❤️

“ *Keisha, thank you for being my friend, for the phone calls when I should have been calling you, for the words of encouragement, when I should have been encouraging you. Even in your absence, memories of your very positive, independent and God-loving spirit bring a smile to my face and joy to my heart. Now is the time for you to experience the ETERNAL PRESENCE of your Heavenly Father. PEACE My Friend.*

“ *I worked with LaKeshia for several years at what was then, RaCo Industries. What a sweetheart! She often would give me instructions on how to cook and would share her recipes; especially her Chicken-on-a-stick. Then finding it so funny when she told me about her then boyfriend J.H. That laugh!!! Thank you LaKeshia for such wonderful memories.*
