“ Praying for Mrs. Faye and the Harmon Family. Shot loved you and he was definitely a family Man. I’m going to miss cutting up with him in Ramsey I don’t know who would laugh the hardest him and me. You both had a unique laugh and I Love y’all without a doubt. He was the best Glass Cutter.

“ My buddy, my dear friend, "Mr. Big Shot" is what i called you!!! You were a "Man's Man" and how do i say, I'm really gonna miss you??? Many days i would come by and talk for hours and hours or we would just talk over the phone about everything. It was always good talking to my buddy about life and family, I learned so much from you and a lot of those times i leaned on you for understanding, guidance, and just to be in the presence of a truly genuine person meant the world to me. You always said "Thomas, if there's anything i can do for you, i will help you best i can" and i would say "I know, but you already have" and I meant just that! You have been like the father i never had and i was the addition to the family "lol" You and Mrs. Faye always treated me with such love and kindness!!! Well, there's so much to say, but I know you had to go to home, but for one last time...I gotta say "HEYYYYYY MR. BIG SHOTTTTT" Love you forever, Mr. Leonard Harmon.

Your dear friend and forever son, Thomas!!!
