“ You are the best grandmother I could of ask for, I was attached to you at the hip. Sometimes I feel like I do not know what I am going to do without you but then I remember you instilled the love of God in me. You always told me to keep my head up and always look presentable and with God in my heart I shall always be guided to the right path. I love you and I miss you so dearly and I miss your calls, I miss your hugs and your smile, but I know that you are still with me and is watching over me and my mom and my uncles and especially Grandpa. I love you, Until we meet again.

“ My beautiful cousin, I cannot believe you are not here! I miss you already and growing up with you was not long enough; laughing, singing together in the choir and even allowing me to be a part of renewing your wedding vows, as you encouraged me.
