“ *Mom, Thank you for being my Mother. You taught me that being a Mother, Wife, Prayer Warrior, and Intercessor for the family and others were just as important as any other Profession. No, It wasn't easy. But you prayed through it. God has given you another assignment now. Continue to pray and intercede for your family down here on earth. You really enjoyed your grandchildren. Mom, you were so playful with them. (Lol). I didn't you could be so funny. You loved and accepted people for who they were without judgement. You were very proud of your children and grandchildren. Well, you are with your Great Ancestors now. Love you Mom.*
