“ *I met Carol on the campus of Jackson State University, I knew her as Baraka; the free spirited hip sister from Detroit that drove the 2 seated red convertible. We shared many fond memories as young college students. We did not know at the time that our parents were life long friends from Rankin county. I will forever treasure and remember the times we shared so many years ago. Although our lives led us down different paths we were always connected. To Mr EJ and Miss Annette I offer my sincerest heartfelt condolences as you morn the loss of your beloved daughter. May The Most High comfort you and your family now and forever. With all my love.....Debbie Rennette Johnson*
