“ *Dear Jackson Family, you don't know me, my name is Linda Breland. My husband is a patient at BNRC. I met your dear Marilyn there. She usually was in the Garden room playing cards or dominoes with some of the other ladies. What a delightful woman. I always spoke with her when coming to see my husband. I didn't know she had passed until just this past week and I was so sorry to hear that sad news. Please know that she touched my heart and that I am sorry to hear of your great loss. May the God of all comfort be with your family during this difficult time.*
