Our beloved Mae Mae, we love you and will miss you greatly! Mommy was proud that you shared the same name as her and was such a wonderful niece. I loved being around you, laughing at all the things you would say, eating your good food, and admiring your beautiful smile. No one could cut up (in a good way) like you, Marguerite and Aunt Margie. I can go on and on... you left a great legacy for all of us, you will never be forgotten. Family we love you and share in your grief. May God bless you, stay strong. Ernest & Bobbie Proctor
