“ We were all more like a family, and “Spoon” was like the Aunt who wanted to know “who made the potato salad?” Then she’d taste it, and give honest feedback, whether you liked it or not. If she liked you, you knew it. If she didn’t like you, you definitely knew it. It was just her way.

*My condolences to the family. May God bless you in your time of need.*

*-Ap. Dr. Amina Campbell-Jackson*
