“ My family and i got to know Mike and Veronica for a brief time in Okinawa. Mike was an amazing man who loved life and enjoyed discussing any and all subjects. We used to play one-on-one basketball prior to going to work on aircraft. Mike was also an exceptionally skilled and competent technician in his trade. We love and miss you Mike!!!

“ I first met Mike at Dover Air Force Base, I said to him do play basketball? He said yes, I play a little bit. We started to laugh! We were friends and Airmen ever since that day. Mike was good friend, family man and good NCO in the Air Force. We all will miss you Mike! You are in GOD's hands now. May you RIP. Hey Mike can you meet my family member who is in heaven with you? Just ask for the Pailin family. Bless you my brother and may GOD bless and watch over your family always. 😇

“ He was my supervisor, mentor, and friend. When I was heading down the wrong path, he saw it, stopped it, and took me to church. He also called my mother just to make sure I understood that he wanted what was best for me. Wouldn't be where I am today without him. Prayers will go out to everyone!
