“ *We have known our dear friend Mike Hudson for over 30 years. Upbeat, fun-loving, and always just a nice guy, he met no strangers. Mike embraced a world view that perennially saw the glass as half full. His family, the lovely Jocelyn and his three boys, were paramount in his life. A JSU supporter to the bone, he never tired of boasting about his beloved alma mater.*

What joy he must have experienced when he entered the gates eternal, and was reunited with his lost loved ones. All home with the Saints.

Rest in power, Mike. We shall miss your eternal optimism.

"Life is the childhood of our immortality."

“ *Our condolences to the Family. Even though we can't be with you, our thoughts and prayers will be. Michael will be remembered as the fun, loving, outgoing spirit from back at JSU. We are saddened at the loss of another line brother. He will be forever in our hearts. His fraternity brother and sorority sister, Alvin and Karen Cole*

Wow! Even though we didn't remain connected over the years, Michael reached out to me during the loss of my Mother. This was very special to me. We recently made contact when we lost Bullet. At Christmas he shared pictures of his wife and grands with me. I shared pictures of my husband and my children with him. He sent pics of his mother and sister at Founder's Day. We shared pictures of Bullet and our line. I always bragged I knew the young man who sang 'Good Guys Always Get the Girl' and 'The Angels Listening In'. I will truly miss my line brother.
