“ *My Sincere Condolences to The Family of Mr. Michael Anthony Redd. Mike and I have known each other a long time and I've always known His Family. Kay and I were classmates at Carter High School and their mother, Mrs. Dorothy Lou , taught there and I sometimes would ride with them home, which was just up the hill . Mike was a very dear friend who played softball with friends in around our neighborhood. He and my neighbor, David Taylor, were close friends and we all would always gather and have fun on the baseball field at Carter High. Mike was a very loving friend and will be missed by all who knew and loved him. I will always cherish the fond memories of him and his family and the good old days we all shared. I pray that God will comfort his family and friends during their time of grief, and give peace to their hearts. He Can and He Will Lift You Up in times like this.*
