“ *Poncho and Family,*
Searching for words to embrace with comfort a loss so heavy is impossible. Grandmother... Grand because their ability to out shine a mother is undeniable. Grandmothers have that special way of not using the “no” word and more of the “yes” word in most situations. They have that permanent smile that radiates into our hearts with a warmth that is unmistakably love filled. They have that extra change we need for a treat and an endless supply of cookies in the kitchen. Grandmothers have that strong faith in God that teaches us to seek to be good in all that we do.

Our hearts are filled with prayer for you and your family Poncho. It is so difficult to understand how The Lord can call home someone so dear. We are praying for comfort and strength as you move forward. May The Lord pour out peace and mercy upon you and your family during this time of heartache and grief.
