“ *Sending my condolences to the family . Praying that God will keep and sustain you in the days to come. I met Natalie and her mother at the senior center for seniors. If Natalie didn't know you she came to know by talking with you .Once she found out who you was , she would introduce you to her mother.Had some great times together. Line dancing ,I think, was her favorite! Natalie could do those dances while I was still trying to figure out what came next. So glad to have been a part of her life. Gone but not forgotten!*
