“ *Neshall - I'd never met anyone that became a friend so quickly... We met at the family reunion and became friends in what seemed like overnight... Neshall crept into my heart and made me feel good about myself... I was somewhat broken when we met but she always had nothing but kind words and it seemed like she always knew what to say!!! She was the rock that we all should have in hard times... She was always there when we needed and laughing when we just wanted a friend... She is the epitome of an angel!!! I will miss her so very much!!! My condolences to all of you from one of you!!! She was my sister-in-law sister... We weren't blood by family but I was adopted into her Godly family!!! Thank you Neshall for allowing me into your life and family!!! I will miss you so very much!!! My heart yet hurts!!!*
