CHANGE OF ADDRESS

Family and Friends,

The time has come for me to go. My Heavenly Father informed me that my new home was move in ready!! It is beautiful! It is located in an exclusive gated community. My eternal love, Sylvester, greeted me at the tallest, most beautiful pearly gates I have ever seen. He showed me around my new residence. We have a view of the most serene celestial shore, paved in gold. Every day is Sunday, and I have the pleasure of singing in Heaven's choir with some of the greats. It is better than I could have ever imagined. There is Peace, Joy, and Happiness here. There is no pain, no suffering, and the cares of the world are gone. No strife nor discontentment. Just sweet serenity everywhere. Now I know you all will miss me... What can I say... I am irreplaceable!! The life of every party, the best dancer, sharpest tongue, and most strong-willed woman that God gave you the pleasure to know. But I say to you, please don't be sad to see me go. I had a wonderful life, and it was all made better by all of you. I married the love of my life Sylvester and spent more than 43 years together before God called him home. Together we built a beautiful family and raised six children. Sylvester (Mane), Kevin, Patrick, Kentrell, Sylvanna, and Shun. I had the opportunity to nurture and help raise ten grandchildren, one great grandchild, many nieces and nephews, and other family and friends. I got to spend time with my sisters, Naomi and Martha and make so many memories that will keep this family laughing for years to come. I had a fulfilling career with the State Board of Health, where I worked for over 41 years. I built lifelong friendships at my church home of more than 60 years. It was a good life. My parting lesson to all of you is to live life to the fullest. Don't worry about what other people think about you. Be yourself. Love hard. Be passionate and energetic. See the happiness and goodness in people and always stand up for yourself and the people you love. Do what is right, and when you think of me, always remember how much I loved you and this life. But know God loves you more. I am leaving you with my new address:

Patricia Proctor Houston
121224 Pearly Gates Drive
Master's Promised Land, Heaven 011057

I highly recommend you make plans to meet me here too. "Believe In the Lord Jesus, and you will be saved." (Acts 16:31)

Love always,
Mrs. Patricia Proctor Houston
