“ To the family and friends of this beautiful soul, you all have my deepest sympathy. Peggy and I worked for the same state agency, but different programs. Anytime I had a question, or an issue with a vendor, Peggy extended her assistance and there were times, those vendors were not assigned to her. But she assisted me when she could. I can hear her sweet, comforting voice now as I would thank her on those occasions, "Oh, Antoinette..anytime."
Rest in enteral peace, Peggy. You will be missed.

“ It's said we are to go to work, do your job and go home. But the helpful qualities of some coworkers make that simply impossible to do. Peggy Montgomery was one of those coworkers for me, but she was so much more than that...

Peggy worked with our agency's Purchasing Department prior to her retirement. It was here that I came to know, appreciate and admire her. Over the years she made easy work of guiding me through purchasing policies and procedures. AND SHE ALWAYS DID IT WITH LOVE AND THAT SMILE! I'll forever cherish the chance to catch up with her this past August for almost 2 hours and hearing her voice on the voicemail she left when I initially missed her call that day. Most of all I'll always treasure her being a sounding board for me and allowing me to 'have a seat' in the chair where we shared laughter, advice and encouragement. TO SUM IT UP, PEGGY WAS A MUCH NEEDED HELP TO ME!!! And for all these things I'll always be grateful...❤️

My prayers and condolences are extended to her family during this time and the days beyond...❤️
