“ *My sincere condolences to the family. Gina was an amazing woman and I will be forever thankful to have had the honor of calling her my friend! She was kind, thoughtful, generous, intelligent, creative, loyal, and right down funny! Gina and I have many memories but one of my favorites is from my wedding. She was incredibly helpful with planning the event but she also made sure that everyone has a good time. She was there for whatever was needed and took every opportunity to have fun. We danced, drank some good wine, enjoyed everything that Nashville had to offer. I'm so grateful that she was there. I will truly miss you Gina.*
