“ *When you become adults, everybody goes in separate ways. Some people you might see from time to time. Then, there are others that you don't see, but the memories you shared always come to mind and will last a lifetime. There were nothing but good memories shared with this guy. From the football field, in the gym, or just hanging out...This guy was like a gentle giant, and had such an humble spirit! He will truly be missed. Condolences to the family, he was a great man!*
