“ I am Jerry Lindsey, Richard's brother, I remember as a child at home the many thing that Richard done and said along the way. There was always a challenger when mom and dad would go shopping, Richard would always reminder us, the younger children, what we did did or did not do to please him, he would either tickle us until we laugh and cry for release or he would get the belt after us. Then we better not tell mom and dad what happen else or he would remember the next time.

When going to school he would always out run all to get to the house to see what mom had cooked and pick out his to eat first.

Richard always kept us laughing, he was a fun guy most of the time. Easily to get along with, I never remember him getting in trouble with our parents.

It's has been my joy to have him as a brother, soft spoken and joyful. A righteous man, doing good to others according to his abilities to achieved.

I thank for the life he live and the length of life, three score and ten promised, plus four additional. That is wonderful!

Philippians 1:21 For to me to live is Christ, and to die is gain.

Thanks to a loving wife and family, we love you and appreciate each of you. You have been great for him and to him. I know you will miss him greatly.

Melinda I know as you said to me, you lost your " best friend" wow how wonderful!

It's going to be alright.

God bless all the Lindsey family!
