“ *"What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch. We may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget"*

“ Words cannot describe how deep this pain. Please know that I respected and loved Robert as a man of great moral and noble character who loved God and his family above all else. He was so kindhearted and true and carried a sweet, sweet spirit. May you find peace in knowing that God is still in charge and He will never leave nor forsake you. Find comfort in Him.
