“ *Rev. Vincent and Patricia would like to send their condolences to the entire Martin family. We will always remember this family. My father, Rev. Spencer Houseworth performed their marriage ceremony. We loved the fact that, Mr. and Mrs. Martin would always ask how my father was during. We were also very blessed to have Mr. Martin as a pallbearer at my mother's funeral on September 9, 2006. We will always remember Mr. Martin, his humble spirit and his love for his family. We simply encourage the entire Martin family to be strong in the Lord and in the power of his might!*

“ My heart goes out to the entire Martin family. I am deeply saddened by the passing of our beloved brother, Robert C. Martin, but Robert, I know that you are in much better place. We all are going to miss you and especially at Jackson State football games tailgate events. I remember last year when you and your wife set up downtown at the King Edwards for Jackson State 2019 homecoming game with your mobile fish unit and sold fish plates. I was extremely proud to see a black man and his wife doing so well at a place that blacks once could not enter the door. Its has truly been an honor for me to provide you with your business apparels for over 29 years and hope to continue providing your loving family with the same quality service. I will see you later.

Mrs. Martin I am praying for you and your family. Do know that I am here for you. If you need me, please feel free to reach out to me.

Respectfully,
